Draft of Advertisement for recruitment of various positions at IIT Bhilai Innovation and Technology Foundation (IBITF)

About the Company-

The Department of Science and Technology (DST), Government of India, under its National Mission on Interdisciplinary Cyber-Physical Systems (NM-ICPS), has designated IIT Bhilai as one of the 25 Technology Innovation Hubs (TIHs) in the country. To host this hub in the area of Financial Technologies (FINTECH), IIT Bhilai has established the IIT Bhilai Innovation and Technology Foundation (IBITF), a Section-8 not-for-profit company under the Companies Act, 2013.

IBITF serves as the nodal center for entrepreneurship, translational research and development, human resource and skill development, and collaborations in the domain of Financial Technologies. Expanding its scope further, the hub also supports innovation and technology development in Agriculture and Health, thus fostering a vibrant ecosystem that bridges academic research, industry, and entrepreneurship.

IBITF is inviting applications for temporary contractual appointments for the posts listed below. The appointments will be for one year, and extensions will be based on performance and the company's requirements. Interested candidates can apply online through the IBITF website only at the following link: <https://www.ibitf.co.in/recruit.html>.

The last date to submit an online application is November 22, 2025. We will contact the shortlisted candidates for an interaction and/or interview. The date for the interview/interaction will be announced later.
