**Advertisement for the various Project Positions for
Tribal Research and Innovation Park at Dantewada
An Initiative of IIT Bhilai in collaboration with the District Administration, Dantewada**

About the project:

The Tribal Research & Innovation Park (TRIP), Dantewada is a flagship initiative of IIT Bhilai in collaboration with the District Administration, Dantewada established to create a sustainable innovation ecosystem for the Bastar region through technology, research, entrepreneurship, and community engagement.

TRIP aims to address key developmental challenges identified by the District Administration, Dantewada by bringing together researchers, faculties, government departments, startups, industry partners, and local communities to develop innovative, scalable, and sustainable solutions. The initiative focuses on strengthening tribal livelihoods, promoting entrepreneurship, supporting technology deployment, fostering research and innovation, and enabling inclusive regional development across priority sectors.

Applications are invited from eligible Indian nationals who are highly motivated, dynamic, and experienced professionals for the following contractual positions:
